What is pink seller app?

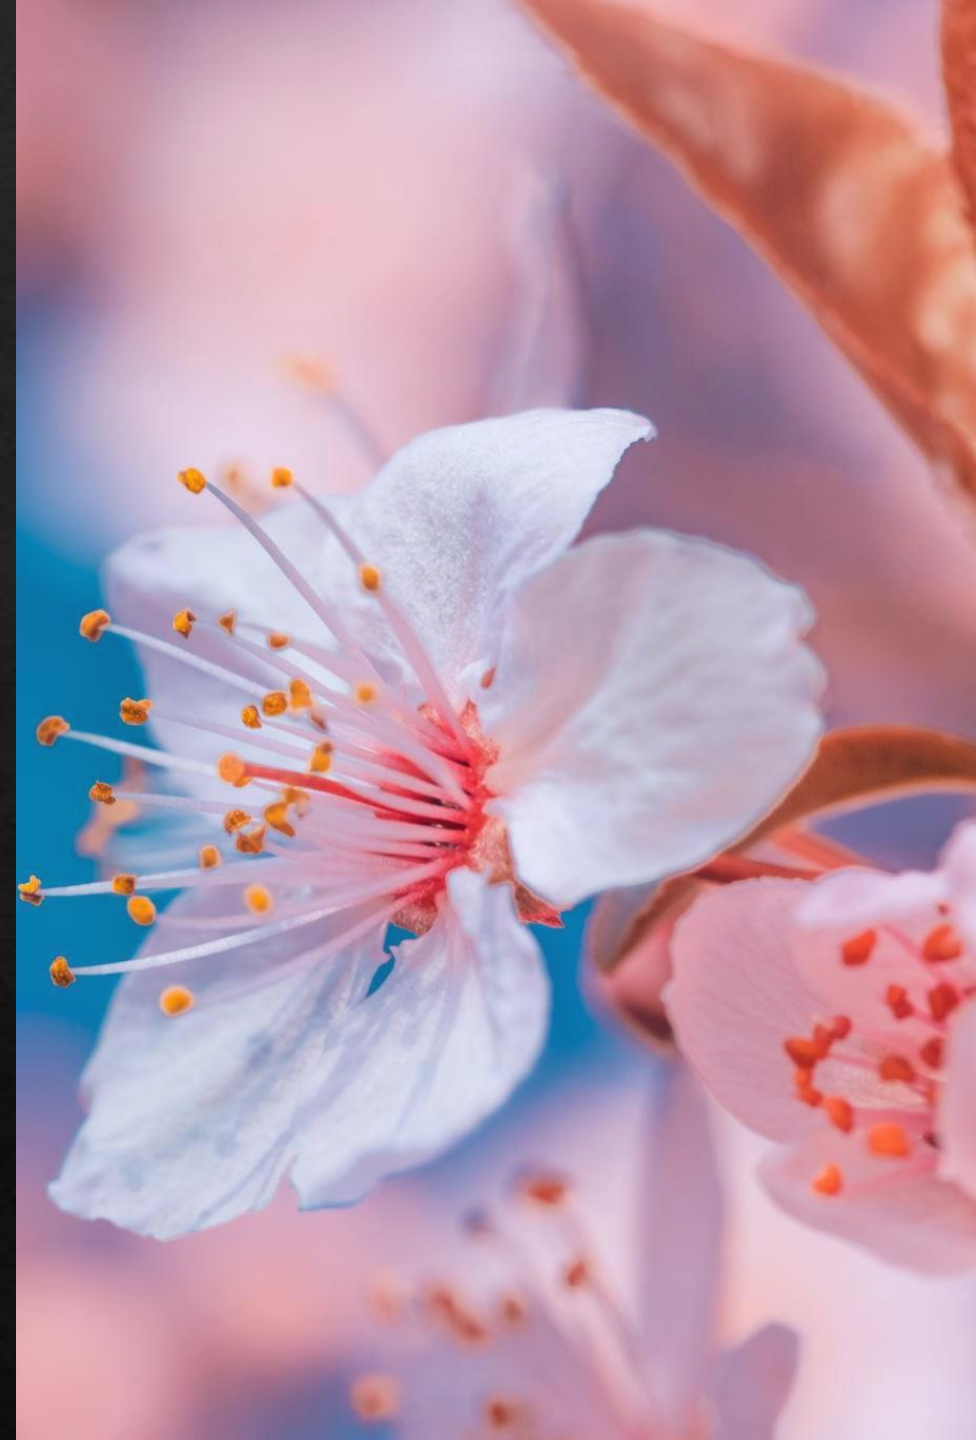

Pink seller is a web site created for girls so that they can communicate about any girly product with each other like:

Submit an opinion about a post

Ask for each other opinion about it

A product u want to buy or sell

Or u can find posts about reviewed products

How many actors in the pink seller app?

- ◇ The admin can delete any posts he finds containing immoral content
- ◇ In addition to the powers that the user has which we will mention now

What can the user do?

- ◆ The user can add posts about any product that they found interesting by apploading a pic in addition of mentioning the name of the product itselef and how he rates it
- ◆ Also he can put comments on other's posts to submit his opinion in his point of view
